^{1,2} If you satisfy the prerequisites for AP Microeconomics and AP Macroeconomics (www.northviewhigh.com), you will be placed in **BOTH COURSES**. Applicants will not be placed in either course if any of the prerequisite requirements have not been met. Course placement is contingent upon the spring **12 week progress report grade**. If a student fails to meet a prerequisite unweighted grade requirement by **three or less points** but has fulfilled all other prerequisites, the student and parent may request placement by completing a **Course Placement Waiver, which will be available on or about 4/13 – 4/17, 2020**.

RECOMMENDED CRITERIA FOR APPLICANTS TO AP ECONOMICS³

- **Strong** work-ethic, self-motivated, commitment to academic excellence
- **Excellent** attendance record and time-management skills
- **Analytical aptitude**, intellectual curiosity, interested in economics, business and/or finance
- **Ability** to meet the high demands of AP coursework, along with all academic and extracurricular commitments

³ Proper academic placement is essential for academic success; therefore, applicants should carefully consider whether they meet the recommended criteria. Recommended criteria are not official prerequisites, but a teacher recommendation may be required.

By signing below, I understand that by requesting AP Microeconomics/AP Macroeconomics:

- I am making a YEARLONG commitment to take AP Microeconomics (fall) and AP Macroeconomics (spring).
- I will be required to complete a summer assignment that must be submitted on the first day of the 2020-21 school year.
- I am making a commitment to take the College Board national exams for BOTH courses in May, 2021.
- I will not be permitted to drop a face-to-face AP class to enroll in an online version of the same class.
- I must satisfy all prerequisites, including unweighted final average requirements, at the end of the current school year.
- I must meet deadlines for submitting course requests, supporting documentation, waiver form, and/or request to drop.
