AP Commitment Form for
AP Computer Science Principles

9 10 11

(Print legal name neatly) LAST FIRST MIDDLE CURRENT GRADE (circle)

By requesting to take AP courses, I understand that:

- The fee for the AP exam MAY OR MAY NOT be funded by the state. All students are required to take the test if state funding is provided.
- AP courses require in-depth study and a willingness to go beyond usual class requirements and preparation (including summer assignments). I am willing to invest the time and effort.
- I am making a commitment, and if I am accepted into an AP class, I WILL NOT BE ALLOWED TO DROP THE CLASS.
- I will not be allowed to drop a face-to-face AP course for an online offering at any point in the year.
- If I fail the AP course first semester, I will be withdrawn from the class for second semester if it is a core academic required for graduation, and there are seats available in an on-level course.
- Students with low first semester grades may not be eligible to drop the course at the end of the semester due to seat availability.
- Students with a second semester unweighted final grade that falls below the prerequisite grade for this course will be removed prior to the fall 2021 semester.

If you have the prerequisite for the AP course (www.northviewhigh.com), you will be placed in the requested AP course. Prerequisite requirements reflect skills and levels of achievement needed for success in a desired course. Proper academic placement is essential for academic success; therefore, students **will not be placed** in courses in which the prerequisite requirements have not been met. Course placement is contingent upon the spring **12 week progress report grade**. If a student fails to meet a prerequisite unweighted grade requirement by **three or less points** but has fulfilled all other prerequisites, the student and parent may request placement in the desired course by completing a **Course Placement Waiver**

Please attach a copy of your 1st semester report card (transcript) or a copy of the TRANSCRIPT you received in homeroom this January. You are responsible for making additional copies as needed. Each AP commitment form submitted requires a copy of your transcript. The counseling dept. will not print additional transcripts for students.

AP course selections may be denied or limited for the following reasons: chronic attendance issues, previous AP failures, academic overload, or other circumstances known by the counselor, teacher, or administrator. A conference will be held between student and counselor.
